Dear Judge Katz:

As counsel for the Defendant herein and pursuant to Court Rules, I am writing to request that the court cancel the initial conference currently scheduled for Wednesday, August 6, 2008 at 2:00 pm.

The conference was previously rescheduled to this date at the parties' request as they were engaged in meaningful settlement discussions. I am happy to report that the parties have reached a settlement agreement. Plaintiff has complied with her obligations under the settlement agreement and I am awaiting documents from my client which are to be delivered to me on Monday. Once everything has been exchanged between counsel we will be filing a stipulation of dismissal with prejudice and I am hopeful that this will take place sometime next week.

If the court is not inclined to cancel the initial conference then I would respectfully request a two week adjournment to give us sufficient time to complete our obligations under the settlement agreement and file the stipulation of dismissal.

I have discussed this matter with counsel for the Plaintiff and he joins in my request for the cancellation or two week adjournment of the conference.

Thank you for your consideration in this matter.

Respectfully submitted,
